You have been your child’s teacher from the day he or she was born.

You know more about your child than anyone else, and you are in the best position to help your child get ready to read. Whether your child is four days old or four years old, it is not too early or too late to help him or her develop pre-reading skills. You can help your child learn language and other literacy skills with simple and fun activities like those in this calendar.

How we read to children is as important as how often we read to them.

No matter what your child’s age, reading together with your child—or shared reading—is the single most important activity that you can do to help your child get ready to read. Engage your child in back and forth conversations about the books you read. Children learn more words when they have the opportunity to respond to questions. If English is not your first language, speak to your child in the language you know best. This allows you to explain things to your child more fluently.

**ZOOM, ZOOM, ZOOM**

Zoom Zoom Zoom,
We're going to the moon,
(point to the sky)
Zoom Zoom Zoom,
We're leaving very soon,
If you want to take a trip,
Climb aboard my rocket ship,
Zoom Zoom Zoom,
We're going to the moon,
(point to the sky)
Zoom Zoom Zoom,
We're leaving very soon.
10, 9, 8, 7, 6, 5, 4, 3, 2, 1 Lift off!
(children can jump up or lift baby up)

**THE MORE WE GET TOGETHER**

The more we get together
Together, together
The more we get together
The happier we’ll be
’Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we’ll be

**ONE, TWO, BUCKLE MY SHOE**

One, two; buckle my shoe.
Three, four; shut the door.
Five, six; pick up sticks.
Seven, eight; don’t be late.
Nine, ten; do it over again!

**ALPHABET SONG**

A-B-C-D-E-F-G
H-I-J-K-L-M-N-O-P
Q-R-S ... T-U-V
W - X ... Y and Z
Now I know my ABCs
Next time won’t you sing with me?

Playing to learn new words.

Play is one of the best ways for children to learn language and literacy skills. Play helps children feel a sense of accomplishment and self-confidence. This motivates them to try new experiences and not to give up when something seems difficult. Also, it’s fun!

**FIVE LITTLE FROGGIES**

Five little froggies sat on a shore.
(Crouch like a frog)

One went for a swim, then there were four.
(Pretend to leap and swim off)

Four little froggies
(Crouch like a frog)

Looked out to sea.
(Put your hand at brow and look out to sea)

One went swimming, and then there were three.
(Pretend to leap and swim off)

Three little froggies said, "What can we do?"

One jumped in the water, then there were two.
(Pretend to leap and swim off)

Two little froggies sat in the sun.
(Crouch like a frog)

One swam off, and then there was one.
(Pretend to leap and swim off)

One little froggie said "This is no fun!"

He dived in the water, and then there were none!

**HERE IS THE BEEHIVE**

Here is the beehive. (Make a fist)

Where are the bees?

Hiding inside where nobody sees.

Watch them come creeping out of the hive,

One, two, three, four, five (Release one finger at a time from the fist/hive)

BUZZ-ZZZ (Wiggle fingers)

**THE HOKEY POKEY**

You put your right foot in
You take your right foot out.
You put your right foot in
And you shake it all about.
You do the hokey pokey
And you turn yourself around.
That’s what it’s all about.

REPEAT WITH "LEFT FOOT," "RIGHT HAND," "LEFT HAND," AND "WHOLE SELF!"

Talking is one of the best ways for children to learn new words.

Speak to your child often during the day and try to use many different words to express your ideas. Children love to imitate, and they will try to imitate your speech. Chances to chat include while you are getting dressed in the morning, eating breakfast, riding in the car, walking from the car to a store, playing together, doing chores, taking a bath, going to bed, and while saying goodnight. Ask lots of open-ended questions, those that require more than a yes or no answer.

Good readers have a large vocabulary.

Knowing lots of words helps children better understand what they read. You can help your children learn lots of words by:

- Having plenty of conversations. Take turns talking. It is important for you to ask questions and listen to what your children say in response.
- Read together! A lot!
- Make connections. Connect what you are reading in books to their lives. “Yes, Grandma has a black cat, too.”
- Repetition. Children often love to read the same book over and over. This is a good thing as repeated readings help build vocabulary.

ANTS GO MARCHING
The ants go marching one by one, hurrah, hurrah.
The ants go marching one by one, hurrah, hurrah.
The ants go marching one by one,
The little one stops to eat a plum.
And they all go marching down,
To the ground, to get out of the rain.
BOOM BOOM BOOM

Two by two. Tie its shoe.
Three by three. Climb a tree.
Four by four. Shut the door.
Five by five. Take a dive.
Six by six. Pick up sticks.
Seven by seven. Tie a ribbon.
Eight by Eight. Close the gate.
Nine by Nine. Check the time.
Ten by Ten. Say THE END.

THE FARMER PLANTS THE SEEDS

One way children learn vocabulary is from listening to stories.

They listen to understand what is being said, which helps them learn new words. Stories aren’t just found in books. You can tell stories about your day, your memories from growing up, or something about your child’s life. You can also use wordless picture books and make up a story together. With wordless books, you can develop imagination along with language and vocabulary skills. Make it fun! Having fun with words helps your child become more aware of words and eager to learn more.

You are your child’s first teacher, and your home is where your child begins to learn.

Make your home a great place to learn. It doesn’t take money to create special places where you and your child can talk, sing, read, write, play, and count. Here are a few ideas.

PLACES TO READ
Create a special space for your children to look at books. Have a comfortable chair or pillows and a small shelf or basket for favorite books. Make sure there’s room for you and your child to sit together and that your child can reach books without needing help.

PLACES TO WRITE
Make it easy for your child to write throughout the day. Set up a space where your child can go on his or her own and use writing materials. Provide pencils, crayons, or markers of different sizes so your child can write with what is most comfortable. Use unlined paper.

PLACES TO PLAY
Play requires a little space, simple props, and some imagination and encouragement. You don’t need special toys or expensive electronics. Provide props like large boxes, old clothes or costumes for dress up, empty food containers, and empty paper towel rolls. Play comes naturally to young children and is one of the primary ways they learn. Provide plenty of opportunities for your child to play.

CONTINUE UNTIL ALL THE LETTERS IN BINGO’S NAME ARE REPLACED WITH CLAPS.

**MARY HAD A LITTLE LAMB**
Mary had a little lamb,
Its fleece was white as snow,
And everywhere that Mary went
The lamb was sure to go;
It followed her to school one day
Which was against the rules,
It made the children laugh and play
To see a lamb in school.

Children’s reading success in kindergarten and beyond begins with positive language and literacy experiences from the time they are infants.

- Young children have shorter attention spans. You can do activities for short bits of time throughout the day or whenever you have the chance.
- You can help your children learn in ways and at times that are best for them.
- Children learn best by doing—and they love doing things with YOU!

**THE ITSY BITSY SPIDER**
The itsy bitsy spider went up the water spout.
(Move fingers up toward sky)
Down came the rain and washed the spider out.
(Bring fingers down and back)
Out came the sun and dried up all the rain
(Move arms up over head)
And the itsy bitsy spider climbed up the spout again.
(Move fingers up toward sky)

**IF I WERE A BIRD**
If I were a bird, I'd sing a song
And fly about the whole day long.
And when the night comes, go to rest,
Up in my cozy little nest.

**SCARECROW, SCARECROW**
Sing to the tune of “Twinkle, Twinkle, Little Star”
Scarecrow, scarecrow, turn around,
Scarecrow, scarecrow, touch the ground.
Stand up tall and blink your eyes.
Raise your hands up to the sky.
Scarecrow, scarecrow, touch your toes.
Scarecrow, scarecrow, tap your nose.
Swing your arms so very slow,
Now real fast to scare the crows.
Raise your head, jump up and down.
Now sit down without a sound.

Playing to Learn New Words

Play and have fun with words:

- Read a book with lots of made-up words like “How Do You Wokka-Wokka?” by Elizabeth Bluemle. Try making up more words to go with the story.
- Silly poems are fun and can teach new vocabulary.
- Kids love riddles and jokes, which often use a “play on words.” Laugh along as you talk about the answer to the riddle or joke.
- Having fun with words helps your child become more conscious of words and happy to keep learning.

HOT AND COLD

1. Select a household item for hiding.
2. The finder closes their eyes while the hider hides the item somewhere in the room.
3. The finder searches for the item while the hider provide clues.
4. When the finder is close to the item, the hider responds "you’re hot!"
5. When the finder is far from the item, the hider responds "you’re cold!"
6. Take turns being the hider and the finder.

Parents are tremendous role models.

If your children see that you think reading is important and enjoy it, they will follow your lead. When you go to the library, check-out books for you and your children. Put your books somewhere at home where your child can see them. Let your children see you reading. Talk about what you’ve read, even if it is just to say, “That was a good book. I liked reading it.”

Listening to nursery rhymes and songs is an early literacy experience that helps children understand how language and stories work.

Recite rhymes and sing songs with children from the time they are infants. This helps them become aware of and then play with the sounds in the words. Many rhymes tell a story with a beginning, middle, and end. This shows children how stories work and that events happen in a sequence. Good readers understand that stories and books have a beginning, middle, and end. After reciting a rhyme or singing a song ask your child about the song. What happened at the beginning? What happened at the end?

### Rub A DUB DUB
- Rub a Dub Dub
- Three Men in a Tub
- And Who Do You Think They Be?
- The Butcher, The Baker, The Candlestick Maker
- And All of the them Out to Sea

### Make A Story Box

2. Find random pictures with no words to add to the story box. Use family snapshots, advertisements from magazines, and other pictures.
3. At story time each person takes a picture (without peeking) and tells a short story about the picture.

### Twinkle, Twinkle, Little Star
- Twinkle, twinkle, little star
- How I wonder what you are
- Up above the world so high
- Like a diamond in the sky
- Twinkle, twinkle little star
- How I wonder what you are

### Star Light, Star Bright

- The library has many materials and ideas you can use to talk, sing, read, write, play, and count with your child. It doesn't matter if your child is four days old or four years old, we have books, music, programs, and services to help your child develop language and prereading skills.

- We have books to read together, music to borrow, places where you can write, places to play and learn, and programs for all ages.

**THE THREE LITTLE KITTENS**
The three little kittens, they lost their mittens,
And they began to cry.
"Oh, mother dear, we sadly fear,
That we have lost our mittens."
"You lost your mittens?
You poor little kittens.
Well, let us have some pie.
Meow, Meow, Meow
Let us have some pie."

**THE FROST SONG**
*Sing to the tune of “The Farmer in the Dell”*
The frost is in the air.
The frost is in the air.
It’s wintertime, it’s wintertime,
The frost is in the air.

The frost tells me it’s cold.
The frost tells me it’s cold.
It’s wintertime, it’s wintertime,
The frost tells me it’s cold.

**COLD AND SNOWY MORNING**
*Sing to the tune of “Here We Go Round the Mulberry Bush”*
This is the way we put on our mittens
Put on our mittens
This is the way we put on our mittens
On a cold and snowy morning

This is the way we shovel the snow
Shovel the snow
Shovel the snow
On a cold and snowy morning

This is the way we build a snowman
Build a snowman
Build a snowman
On a cold and snowy morning.

SING OTHER VERSES IN WHICH THE FROST IS “ON THE ROOF,” “ON THE WINDOWS,” AND “ON THE GROUND”
