### You, Your Child and Your Library

Children's learning starts at home and you are your child's first and best teacher. Reading together is the most important gift that you can give your young child. We hope that you will introduce them to the magic and wonder of books as early as possible.

In this workbook, you will find many activities to do with your child. We encourage you to read lots of good books together. Books can be borrowed free of charge from your neighbourhood branch of the Surrey Public Library.

No child is too young to have a library card of their very own. There is no minimum age and no charge. A library card is a key that unlocks the world of information and imagination.

Happy reading and learning!

We would like to acknowledge and thank the Hamilton Public Library for much of the content found in this workbook.

### It's my first day of School! What should I do?

Parents should read and explain this page to their child

#### **Before school starts**

Parents or caregivers will need to go to your local school as soon as possible in the New Year to register your child for Kindergarten.

#### First day of school

Be on the playground area 10 minutes before the bell rings. You don't
want to be late on your first day of school. Remember to take a
healthy snack for snack time with your new friends. If you will be
staying all day, remember to bring a lunch.

- Wait for the bell to ring.
- Once the bell rings, line –up at the Kindergarten door with the other children and wait for your teacher to come and get you. Line-up one child behind the other.
- The teacher will come for you and you will enter the school.
- Wave to your parents and tell them you will see them at the end of your school day.
- When inside the school, always remember to use your quiet voice. There will be lots of other children in your new school, you do not want to be loud.
- As you walk down the hall to your class, keep your hands to yourself, always look at the front of the line. Do not run or play in line. It is always a good idea to look at your teacher.
- Once in your classroom, you will hang up anything you brought with you (coat, jacket, school bag, etc.)
- The teacher will likely ask you to go and sit on the carpet area. You will listen as your teacher reads you a story or tells you what you will be doing. Your school day is full of lots of fun, playtime with your new friends, storytime and so much more.
- When your school day is over, you will get ready to go home. Make sure you have helped the teacher clean up and all the toys are put away. You will be able to play with them again the next time you are at school. Get all your things together that you will be taking home.
- Now it is time to go home. Your parents will be waiting for your outside.

MY FIRST DAY OF SCHOOL WAS SO MUCH FUN!

#### The Three Billy Goats Gruff

Once upon a time there were three Billy Goats. They lived in a valley and the name of all three Billy Goats was "Gruff". There was very little grass in the valley and the three Billy Goats were hungry. They decided to go up the hillside to a rich meadow full of grass and wildflowers where they could eat and get fat. But on the way to the meadow was a bridge over a stream. Under the bridge lived a Troll who was very mean and very ugly.

First the youngest Billy Goat Gruff decided to cross the bridge. "Trip, Trap, Trip, Trap!" went the bridge. "Who's that tripping over my bridge?" yelled the Troll. "It is I, the little Billy Goat Gruff," said the little Billy Goat in a very tiny voice. "I'm going to the meadow to make myself fat." "No, you're not," said the Troll, "for I'm going to gobble you up!" "Oh, please don't eat me, I'm much too little. Wait till the second Billy Goat Gruff comes along. He's much bigger," said the Billy Goat. "Well then, be off with you," said the Troll.

Next, the middle Billy Goat Gruff decided to cross the bridge. "Trip, Trap, Trip, Trap!" went the bridge. "Who's that tripping over my bridge?" yelled the Troll. "It is I, the middle Billy Goat Gruff," said the Billy Goat in a louder voice. "I'm going to the meadow to make myself fat." "No, you're not," said the Troll, "for I'm going to gobble you up!" "Oh, please don't eat me. Wait till the third Billy Boat Gruff comes along. He's much bigger," said the Billy Goat. "Well then, be off with you," said the Troll.

Next the big Billy Goat Gruff started over the bridge. "TRIP, TRAP, TRIP, TRAP!" went the bridge. "Who's that tramping over my bridge?" yelled the Troll. "It is I, the big Billy Goat Gruff," said the Billy Goat in a voice as loud as the Troll's. "Now I'm coming to gobble you up!" roared the Troll. "Well let's see you try," said the big Billy Goat Gruff. "I'm very big and very strong."

So up climbed the mean, ugly Troll, and the big Billy Goat Gruff butted him with his horns and pushed him off the bridge. The Troll was never seen again.

Then the big Billy Goat Gruff went up to the meadow to join his brothers. Together they got so fat that they could hardly walk home again.

The END
