

## CHILDREN'S PROGRAMS on TEAMS

For these online programs, we will be using Microsoft Teams. You will need a computer with a microphone (or headphones) and webcam, or an iPad/tablet.

**An email address is required for registration.**

### KIDS BOOK CLUB

**Ages 8 - 10 | Registration required**

We will play fun, friendly games relating to the book. To register email Susan [SDAndrews@surrey.ca](mailto:SDAndrews@surrey.ca)

### NEW PARENTS MEET UP

**Ages 0 - 12 months | Registration required**

Join us for songs and stories to help your baby develop speech and language skills. Connect with other new parents in Surrey and learn about services for families with babies in your area.

### PRETEEN/YOUNG TEEN BOOK CLUB

**Ages 10 - 13 | Registration required**

We'll have lively discussion about the book and play fun, friendly games.

### KIDS STEM CLUB

**Ages 8 - 10 | Registration required**

The STEM Club taps into children's natural curiosity while exploring science, technology, engineering and math. **Participants must purchase required ingredients.** This program will run twice a month. Choose one date only when you register.

To register email Susan [SDAndrews@surrey.ca](mailto:SDAndrews@surrey.ca)

## CHILDREN'S PROGRAMS WITH PARTNERS

### ENVISION FINANCIAL READING BUDDIES - FULL Grades 2 - 4 | Registration required.

This virtual program is for children in grades 2 to 4 and teens ages 14-18.

Envision Financial Reading Buddies is a time to practice reading together.

**Kids:** Come and practice reading with a teen volunteer. Children read with teens in a helpful setting.

**Note:** Envision Financial Reading Buddies Program is not designed to teach children how to read.

**Special thanks to our sponsor: Envision Financial**

### UBC GEERING UP CREATIVE CODERS CLUB Grades 4 - 5 | Registration required.

Welcome Creative Coders! In this club we explore the world of coding and computer science. All skill levels welcome.

This is a 4 week program. Children must attend all 4 sessions. A laptop or a desktop computer are required to participate. For more information [clubs@geeringup.ca](mailto:clubs@geeringup.ca)

### CODE MOBILE

**Grades 4 - 6 | Registration required.**

Join us to learn about coding using Scratch. This 4-week series combines the power of play with basic design and programming skills. Create art, games and more! Beginners welcome.

In partnership with Canada Learning Code. Register through [EventBrite](#).

A laptop or a desktop computer and access to Zoom is required to participate.
